SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Continuous Learning
- Critical Thinking

TECH SKILLS

- Java
- Python
- C
- Data Structures
- Algorithms
- SQL, MySQL
- OOP
- VS code, Git , Github

LANGUAGES

- English
- Tamil

PROFILE

I'm Karthick, a B.Tech Information Technology student passionate about Java development and backend programming. I focus on writing clean, efficient, and reliable code using Java, OOP principles, and data structures. Currently, I'm improving my practical skills through real-time projects and internship learning.
